

# Percy Lake Update    December 2019

Well, it is just the cusp of winter, and Christmas Holiday time. Some of you may be enjoying this season up at the lake or elsewhere in warmer climes. While we can not predict the weather conditions at Percy Lake or snow levels or ice thickness, we do know that a number of you partake in activities that a good winter brings.

We do know that the lake will freeze over, or may have already, and there are hardy folk who will partake in travelling the trails, skiing and skating, and perhaps ice fishing, no doubt.

So, wherever and however you decide to spend your time, on behalf of the PLRA Board, we wish you a safe and happy holiday. Enjoy it, to the best you can! And if you are up at the lake, keep an eye out for anything that may be of concern to you and your neighbours.

and Happy Holidays*
